PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Peck:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Dear Mr. Peck:

Inclosed herewith is a picture of the American Cemetery, Tinian Island, Marianas Island, in which your son, the late Second Lieutenant Franklin I. Peck, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Attention: Memorial Division

24 October 1946

Mr. George D. Peck
715 Valley Road
Reno, Nevada

Dear Mr. Peck:

Your letter concerning your son, the late Second Lieutenant Franklin I. Peck, has been received in this office.

The War Department has now been authorized to remove the remains of our honored dead, at Government expense, to the final resting place which next of kin may designate.

When the necessary verification of records has been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be mailed to you. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of your detailed desires as next of kin. Until you receive these forms, therefore, it will not be necessary for you to communicate with this office regarding this subject, unless you desire to report any change of address. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when the mentioned forms will be mailed. Every effort, however, will be made to shorten the time between now and the date of mailing and your desires will be acted upon with a minimum of delay.

It is not known at present which cemeteries overseas will be permanently established. However, at the time that arrangements are made for the return of the remains of our deceased military personnel to the United States, this office will communicate with the legal next of kin in order to obtain their wishes regarding the final disposition of the remains. It is believed that full information will then be available regarding the establishment of permanent cemeteries abroad.

So Major General Larkin
I would like for you
to answer in the best
way possible if you can
whether the rest of the
boys are going to be brought
back?, and if the cemetery
is to be in constant and
former care of United States
military personnel.

Yours Sincerely
